

## "Losers" of WWII

- Japan
- Germany

### Japan's unconditional surrender

Japan had very limited say in what would happen . . .  
 New Government: limited Monarchy - Parliamentary System (Diet)  
 - Limited the power of the Emperor (symbolic position)

### Wrote new Constitution -

- Suffrage for women
- Compulsory Education
- Labor Unions
- Land Reform

**Article 9 - Demilitarization: Japan can not have a military**

**USA = protection USA will pay**

## Germany

After WWII Germany is divided between the U.S., France, G.B., and Soviet Union

Berlin = Capital  
 Completely surrounded by the USSR

## Division of Germany

The Allied powers divided Germany into occupation zones

- American Zone
- French Zone
- British Zone
- Soviet Zone

**Berlin** - Capital of Germany, divided between the allied powers and the Soviet Union

## -United Nations

- Created after WWII: Signed by 50 nations after WWII
- International peace keeping organization
- Prevent another World War from happening
- Headquarters today = NYC

Security Council:

- 1) USA
- 2) USSR
- 3) Great Britain
- 4) France
- 5) China
